New Website

As you can see we have now received the structure of our new website from Andy of [Mistera](#), who is working alongside us to bring you a website that is easy to navigate. We also hope that this structure will remain and that we will be able to add lots more information without having to go back to basics.

During the month of August we will be adding the magazines.

Magazines

A company based in England, [PageSuite](#), will be converting our magazines (once we've typed and scanned everything) so that you can view them as online magazines. They have given us a really special price and if any Marcians out there (or companies) would like to sponsor an online magazine [please contact us](#).

John O'Shea has sent in the first cheque for the first magazine. I had a giggle when I received the cheque this morning as a postman will in return be delivering 80 pages of a magazine for him to type! Seamus and Archie will be helping of course!

Don't forget to visit [John's Blog](#)!

Message Board and Guest Book

While we are sorting out our pages on the website you can still reach the Message Board and Guest Book sections by clicking on the links below:

Donations Pages

We'll get Archie's donations pages up and viewable as soon as Andy from Mistera gets back from a well earned holiday. I don't want to mess up the good work he is doing with our website so need some guidance from him before Archie and I get the pages back up as well as the link to PayPal for donations.

Remember all donations received for the school are spent on the school. (We fund the cost of this website ourselves separate from the donations received specifically for the school.)

If you would like to donate in the meantime please email [John](#).

Swaziland Society Annual Luncheon - Liphook

We'd like to hear from those that attended the recent lunch in Liphook. Send in your comments, photographs, etc and we will add them to the website.

Expats Alive - Trish Fisher

The next Expats Alive Reunion is planned for 28 September - 1 October in Scarborough, Yorkshire, UK. The weekend will start with an official get together at 7pm on Friday 28th September. Outings are planned for Saturday and Sunday with another official meal on the Sunday plus an outing on Monday for those who are able to stay that long.

Mhlambanyatsi

Barry Mason has a [website for the Mhlambanyatsi/Usutu](#) crowd. A reunion has been planned for 11th - 13th July 2008 at the Foresters Arms hotel. Contact [Ruth Buck](#) to make your booking.
