Comments: Well done Lyn! Recognise 'Pukoos' Strong (sister Felicity?), Avril Williams and some others. Alison Aldwinckle's (not Ardwinckle methinks) father was the local pilot of Stegi (now Siteki), my hometown.

I remember the McMurchy sisters from Sydney Williams Primary, Manzini.

Trying to extract pics from our family album (owned by sister), one of which is pic of actors in 'Snow White' play performed by St. Marks Primary in '62/'63. Dorothy Wigget was Snow White, I was Bashfull (I think).

Ah, those were them days. Picnic at Cradle Rock anyone?

Keep going Lyn,

Anton.

P.S. I was a red-haired bird-egg collector that employed various methods in order to spend holidays on different farms.(The Wright's, Packard's, Pape's, Frances', Alledice', Worthington's and many more). If anyone remembers, please drop me a line.
